# WHAT YOUR “GROM” WILL LEARN AT HO DADDY O’S SURF CAMP

Ho Daddy O’s Surf and Sport camps are week long summer camps for kids to learn the basics of surfing, wave riding, stand up paddle boarding, and traditional paddle boarding, combined with introductory lessons on surf terminology, ocean safety & awareness, and wave & weather predicting. Ho Daddy O’s teaches leadership skills in a fun atmosphere designed to be fitness-oriented and quality supervised. We compliment our instruction with games and education and keep a low student-to-teacher ratio to provide personalized coaching matching the individual needs of your young surfer. Most importantly we teach a love and respect for the ocean and beach culture.

We keep a low student to teacher ratio and provide personalized onsite coaching to nurture the individual needs of your young surfer.

Top quality boards — both stand ups (SUP) and surfing — will be provided for free. We rank # 1 with our approach. This is no ordinary Surf Camp, we provide a complete “water girl/water boy” experience with a variety of instruction and water experiences. No other school encompasses the coolness, quality and variety of participation than Ho Daddy O’s Surf and Sport Camp! Fitness and teaching ocean sports with safety is our goal.

**ALL PARTICIPANTS WILL RECEIVE
